

SCA16SW

For the safety of machine operator !

AKIYAMA

SCA16SW is a band saw machine with sliding table and electric sensors to instantly stop band saw rotation to protect the operator from serious injury.

This bandsaw machine is best for processing meat and other food material.

When the machine detects contact with an operator's hand or arm, it stops the band saw blade in 15/1000 sec. And the tension of the band saw blade is released by a two-stage safety mechanism.

The band saw blade is stopped in 15/1000 seconds!

Sliding Table equipped

International Patent
(application no. 2022-085802)

Air-compressor is required for Safety device.

Specifications

Max. cutting height	400mm
Slide Table dimensions (W x D)	520×430mm
Table height	965mm
Machine dimensions (WxDxH)	1060×1170×2080mm
Machine Weight	450kg
Power Supply	3-phase 50/60Hz electricity 0.75Mpa compressed air
Motor	Totally enclosed external fan type4P 2.2kw

Interlock and signal lights are standard.

※ Performance and specifications are subject to change without notice at the time of development .
